

Based on the  
Aesop Fable  
"The North  
Wind  
and the  
Sun"

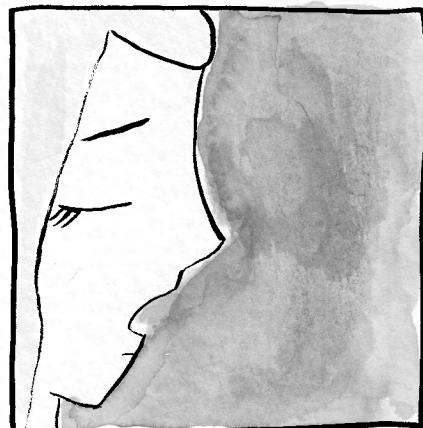

“Can I  
have a  
light, kid?”

" I disagree."

"These are tough times kid."

"As long as you listen to a man's desire, you can succeed."

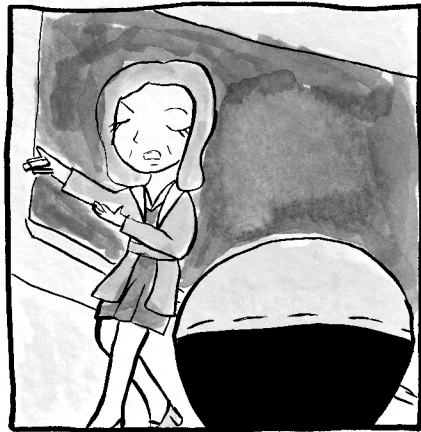

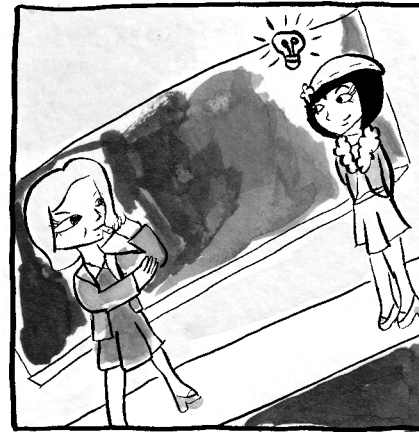

"Men just don't want to whoop anymore."

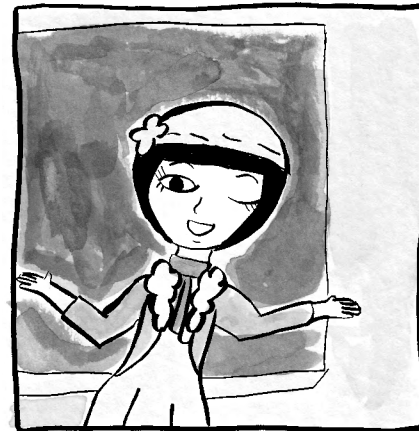

"You're Wrong."

"But you're too young to know."

"You have to force yourself onto men."

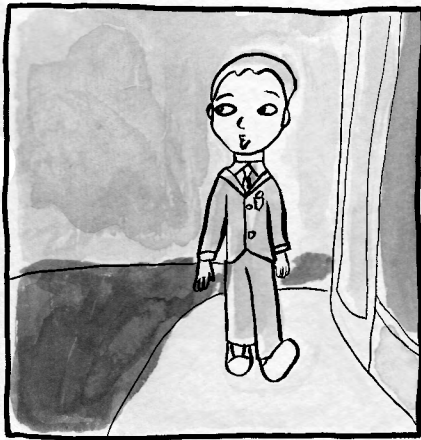

"How about some friendly competition?"

"Sure, let's see who can get a man first."

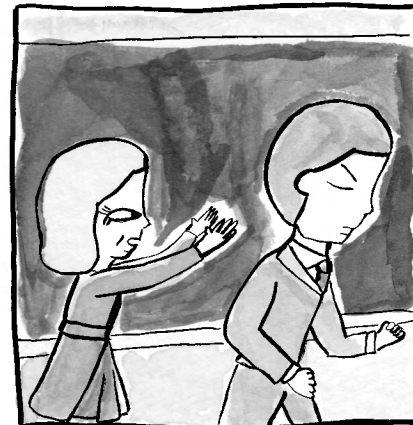

"DON'T TOUCH ME!"

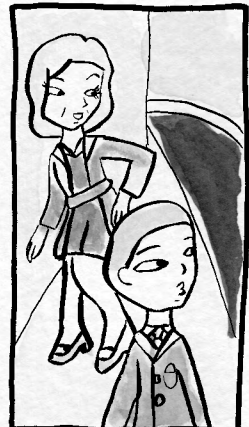

"Watch me."

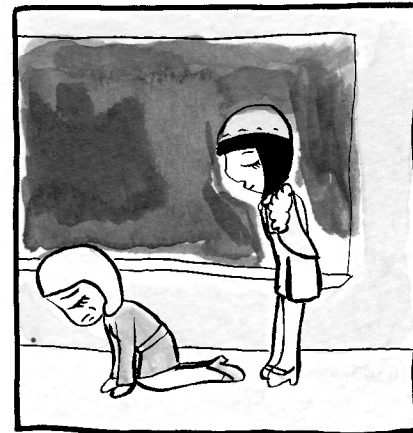

"Hello sir..."

"WAIT! I can give you what you want!"

"Come have fun with me."

"My turn."
